- Donate with your phone — no app or signup required
- Instant transfers directly to your organization's account
- Give anytime, anywhere — even if members can't attend in person
- Transparent, secure, and trackable No setup costs for your 501 (c) 3 or non-profit

Increased Support & Participation

Proven to boost donations and strengthen community involvement.

Higher Contributions

Supporters give more generously when donations are quick, easy, and cashless.

More Consistent Giving

Encourages weekly offerings, tithes, and recurring donations.

Saves Admin Time

Reduces time spent counting cash and tracking paper records.

Stronger Community Impact

Funds go directly where they're needed, helping missions, outreach, and programs thrive.

Group & Campaign Accounts

Managing collections for NGO's and non-profits can be complex. Easy Tipping makes it simple.

- **Multiple Giving Pools** – Create separate accounts for missions, youth programs, building funds, or special campaigns.
- **Flexible Setup** – Define payout frequency and manage team members with ease.
- **Admin Support** – Add up to five admins to share management responsibilities.
- **Unique QR Codes** – Each ministry, program, or fundraiser can have its own QR code.
- **Real-Time Dashboard** – Track donations, see campaign progress, and monitor participation.
- **Transparency & Trust** – Donors know their contributions are secure and accounted for.

Tailored for Community Impact

- QR-based giving — no hardware needed
- Multi-language & multi-currency support
- Secure, compliant, and data-driven
- Customizable for weekly offerings, missions, or special campaigns
